

PRAYER POINTS

PRAISE AND THANKS:

For generous donations from individuals, churches, schools and local businesses

For all of the volunteers who give their time and talents so freely to help others in need

For the help that the foodbank has so far been able to provide for those in food crisis in Watford

PLEASE PRAY:

For our clients – that those who feel shame or anxiety may be able to take the first step in seeking help

that they may be shown welcome, compassion, dignity and a listening ear when they visit the foodbank

that they may receive the food and support that they need

that other issues such as debt, or struggles with heating bills, will be addressed appropriately

that in time they may be able to get back to a situation where they don't need to visit a foodbank

For our volunteers – that the foodbank may have the people with the care, time and skills needed

For our supporters – that they will continue to donate enough food and money to meet the ever-increasing local needs

For our staff and trustees – that they will ensure the foodbank is run as efficiently as possible, and develop good working relationships with local agencies

For the social situation – both in Watford and the country, that the benefits system will protect vulnerable people, and the need for foodbanks will reduce
